TO ADVERTISERS.—The VERMONT DAILY TRANSCRIPT has the largest circulation in St. Albans and in Franklin County, of any daily paper, and on that account, if no other, the best medium for advertising.

## Local Items.

OUR DAILY.—Those wishing to secure copies of our daily paper can do so at Terrill's and Baker's bookstores, a call as of carriers, and at the office, copies of our weekly paper may also be had at these places.

THE HURLEY AFFRAY.—As we go to press, McGarvey, Doyle, and Conlin, applicants in the case of the late John Hurley, are under examination before Justice Safford at the office of Bailey, Davis, & Adams.

FRANKLIN COUNTY COURT.—The case of Burgess Estate vs John C. McGowan is on trial to-day (Saturday)—Judge Wilson presiding; H. S. Royce, Dewey & Noble for plaintiffs; J. J. Beardsley, D. R. Bailey, and A. G. Safford for defendant. In this case is involved 25 tubs of butter, sold by McGowan to Marshal H. Burgess (now deceased) in the month of January, 1867, and which was seized in Burgess' possession for being smuggled from Canada. The butter, which was appraised at \$365.69, was condemned and sold by the Government, and the plaintiff brings suit to recover the money paid McGowan for same. The testimony in the case has closed, and upon the completion of the arguments by the attorneys this p. m., the Court took a recess till Monday next, at 10 o'clock a. m.

ILL.—The many friends of Hon. John M. Dwyer, Salisbury, Senator elect from this County, will regret to learn that he has been quite ill, and is not yet able to be about. His prompt restoration to health is earnestly desired by all.

Wm. T. Parker, Esq., President of the First National Bank, Vergennes, is suffering from a severe attack of typhoid fever. His symptoms, we are gratified to announce, are very favorable as we go to press, Thursday, a. m.—Vergennes Citizen.

HISTORY OF ST. ALBANS.—We understand that L. L. Dutcher, Esq., is preparing a history of St. Albans for the forthcoming volume of Miss Hemenway's Gazetteer. The work is in competent hands. The history of St. Albans, by the late Hon. Jas. Davis, which was published in the TRANSCRIPT in the fall of 1863 and winter of 1867, was originally prepared for Miss Hemenway's publication, but as there was great delay in the appearance of the numbers, and the writer being desirous to have it in print before his death, furnished it to us for publication. Mr. Davis' history was not as complete as he intended, his failing eyesight, which finally ended in almost total blindness, compelling him to hasten to the completion of the work more than he would have otherwise done. As it is, the history was read with much interest by both old and young, as that of Mr. Dutcher will undoubtedly be.

REPUBLICAN RALLY.—The Republicans of St. Albans are requested by many citizens, to meet at the Court House this (Saturday) evening, at 7 o'clock, to make arrangements to attend the Republican mass meeting at Plattsburgh on Wednesday next. In view of the importance of the occasion, we are confident that there will be a large gathering at the Court House to-night, of those who are not identified with our local Grant Club. The people have evidently become restless over the inactivity of the Club, and are beginning to move in the matter for themselves. Let there be a numerous getting to either to-night, to make the necessary arrangements. The calls for the meetings of the Grant Clubs of Burlington and other places, for this purpose, have been issued for a considerable length of time already; yet we have sufficient time remaining, to do all that is necessary to be done here. We wish it borne in mind, that St. Albans prides itself on having the best Cornet Band in Vermont, whose services will do credit to the State in appearing at the Plattsburgh mass meeting.

The Republican State Committee, of Vermont, have made arrangements for free transportation both by railroad and steamer from Burlington and St. Albans Bay. From all that we can learn of St. Albans and the surrounding country, Vermont, will send a rousing delegation to the Plattsburgh Mass Meeting.

The annual meeting of the stockholders of the Vermont and Canada Railroad will be held at the Weldon House, in St. Albans, on the 15th, for the election of Directors and such other business as may legally be brought before the meeting.

IMPORTATIONS OF TEA.—Twenty-two ear loads of Tea was imported by Hewlett and Torrence, of New York, from Montreal, on the first day of October. There were 6,300 chests of the above tea, weighing 350,538 lbs., upon which the duty was \$102,725.20 in gold.

THE ROGUS AGENTS.—The hearing of the brothers Leon, which was to be held to-day before Justice Sherman, for obtaining money under false pretences, has been continued upon request of the Leons, and they remain with Sheriff Soule. Further developments only prove their guilt more clearly.

THE NAME OF GEN. KILPATRICK, is added to the list of eloquent speakers expected to address the great Plattsburgh rally on the 7th.

THE DEPOT FOUNTAIN.—This afternoon, for the first time since its completion, a spray appears from the fountain in the depot grounds; evidence that the long-prevailing draught is ended. Large and beautiful fountains flow.

MASONIC.—Dispensation having been granted the Brethren in Montgomery and vicinity to form a lodge, to be called Butler Lodge, they have organized by the election of the following officers:

John S. Tupper	Master.
Geo. H. Fuller	S. W.
Aaron Gates	J. W.
Dr. S. E. Farnsworth	Treas.
A. C. Samson	Sec.
Dr. C. S. L. Leach	S. D.
George R. Wade	J. D.
Capt. Thomas Dwyer	Steward.
David Domina	"
Joseph Foster	Tiler.

C. D. PURMONT, of East Georgia, has bought of A. W. Griswold, Esq., of Malvern Farms, Morrisville, Vt., the thorough-bred Shorthorn bull calf, "Young Sachem," by "Climax."

We cannot too heartily commend the course pursued by Mr. P. in discarding a good bull owned by him because he was without a pedigree, and buying another. The man who expects to make a business of breeding cannot afford, at this late day to attempt to start out on his own hook and build up a breed without falling back on the labors of somebody else in the past, and if he is to profit by these past labors, the pedigree is the only tangible evidence that he is possessed of the fruits of such labors. There are herds in this State that appear to be thorough-bred, but, in the absence of pedigrees, people are looking constantly for the cropping out of some bad blood, and of course their market value is proportionally impaired.

THE NEW STEAMER ST. ALBANS.—The Northern Transportation Company's new steamer St. Albans made her first appearance at Ogdensburgh a few days ago. Like all the other boats of the line, she has been fitted up in the best style for the accommodation of passengers and the transportation of freight. Her dimensions are 144 feet over all; 12 feet depth of hold, and 26 feet 2 inches breadth of beam. Her burthen is 435 tons. She has seventeen staterooms, and accommodations for seventy-first class and seventy-five steerage passengers. Her engine was built at the Atlantic Works, Boston; has 23 inch cylinder and 36 inch stroke. She is commanded by Capt. J. J. Knapp, and promises to be a fast and popular boat. Several others of the new fleet will soon take their places on the line.

## Does Advertising Pay?

Ask Messrs. Paddock, Dean & Co. Ask Mr. W. L. Bradley. Their advertising last spring doubled the sale of Bradley's phosphate in Caledonia County, and it is now the best county in the State for his trade. This doubling up of one's business in three months was done by a judicious expenditure of about \$300 in printer's ink. Messrs. Paddock, Dean & Co. sold six times as much phosphate last season as the season before, and no doubt did much more than they would had it not been for the "phosphate war." This firm calculate to quadruple their last year's business another spring.

Yes; judicious, persistent advertising always pays.—St. Johnsbury Caledonian.

FULTON MARKET.—Just received, a nice lot Dried Beef, Sugar Cured Hams, Bologna Sausage, Sweet Potatoes, Tomatoes, Peas, Peaches, Water Melons and Musk Melons. dtf-94.

"Losses on the man who first in Vermont 'sleep.' But how can any one sleep who is filled full of pain? By using Kenneth's Pain-Killing Magic Oil, to cure!" dtf-94.

For all those distressing and afflictive Maladies which originate in Scrofula or an enfeebled or vitiated state of the blood, nothing can equal the tonic and purifying effect of Dr. Anders' Iodine Water, a pure solution of Iodine dissolved in pure water without a solvent."

New York, July 1st, 1868.

DEAR SIR.—In your paper of last week you or one of your correspondents say that Dr. Drake is not the originator of the celebrated PLANTAIN BITTERS, and that they were manufactured and sold by one Pedro Martelle, an old Spaniard, in the Island of St. Thomas, over forty years ago, as every old sea captain can testify. Now, sir, I can certify to the above as being true, for I have followed the sea for over forty years most of the time doing business with the West Indies. The same Bitters differently put up and named, were brought to my notice on my first trip to the Island of St. Croix, for a cargo of rum, and for years and years after, my ship's stores were never without them. I always supplied my family and many of my neighbors with them, and can truly say a better Bitters and Tonic, is not made in all the world.

MAGNOLIA WATER.—Superior to the best imported German Cologne, and sold at half the price.

BURLINGTON BUSINESS COLLEGE.—The fall term of this College will open October 5th, and continue in session during the year. Our readers will remember that this institution is to be a consolidation of the Bryant and Stratton College at Burlington and the Vermont Commercial College at St. Albans, under the instruction of J. H. Lansley, as proprietor. The new college will open with excellent facilities for young men and young ladies to gain a thorough education. The rooms are in the M. Pratt, of the St. Albans College, and will be one of the instructors.
